Summer Schedule & Registration

New Session Schedule, Registration Information, Rate Increase

Little Strokes Swim Academy offers two separate sessions during the year, Summer Session and School Year Session. Swimmers currently enrolled in the School Year 2023-2024 session will end their classes on Saturday, June 8th. **If you are currently enrolled and would like to swim this summer, you will need to register for a class spot on May 1st, as current School Year enrollment will not carry over to the Summer Session.** Summer Session will begin on Sunday, June 9th and runs through Friday, August 30th, with the following exceptions:

Due to overseas family visiting, Mr. Rafał has sporadic availability this summer. The first couple weeks he will be substituting for Ms. Anna Scott, and for the last 7 weeks he will have his own classes. Mr. Rafał's classes will begin on Sunday, July 14th. Ms. Anna Scott will be out June 10th through June 20th,

and Mr. Rafał is able to substitute through June 19th. A different instructor will substitute on June 20th or we will provide makeup/credits.

Registration for current students and waitlisted students will take place on Wednesday, May 1st at 10AM. All waitlisted but not currently enrolled students wanting to register on May 1st should respond to the email inquiry (being sent this week) so that we can give permission to register before the General Public registration. General Public Registration will take place on Monday, May 13th at 10AM. Please email us at LittleStrokesSwim@gmail.com with any questions before or during registration.

For the upcoming 2024-2025 School Year session (beginning September 5th), we will carry over the 2023-2024 School Year enrollment. If you are currently enrolled in School Year lessons (ending June 8th), sometime in the summer we will contact your family to see if that spot still works for the upcoming school year, and make adjustments at that time. **Please note that the 2024-2025 School year enrollment DOES NOT carry over into Summer. If you would like to swim in the summer, you will need to register for a new class.**

In order to continue to provide top-notch swim lessons while keeping class sizes small, retain our extremely talented staff and keep pace with increasing costs, we will raise our rates for the 2024 Summer Session as mentioned in the last newsletter. Parent-Tot classes will be \$20, and Age Group lessons and Swim Team will be \$30.50 per class. Child(ren) in private lessons pay for all 3 class spots, or \$90.50 per class.
