Makeup Scheduling & Planned Absence Reporting

MAKEUP LESSONS: Please make a note of the class type when scheduling a makeup lesson! We have had several makeup lessons scheduled for Parent-Tot or Swim Team spots instead of a regular Age Group lessons. Please make sure that you are not scheduling a makeup for Parent-Tot or Swim if your child is normally in a 2-4 class or a 5 and up class.

REPORTING PLANNED ABSENCES: At least 7 days notice is required for any planned absences, and there is no limit to the number of PLANNED absence makeup lessons you can have per year. We have been having a lot of same day absences reported for things like "Family Vacation" or "Out of Town for 2 weeks" or "Dentist Appointment" which would seemingly be planned out at least a week ahead of time. If you are able to provide us with at least 7 days notice of any planned absences, we can provide you with a "Planned Absence" makeup lesson instead of an "Unplanned Absence" makeup lesson. Only two Unplanned Absence makeup lessons are allowed per year, but there is no limit to the Planned Absence makeup lessons you can receive.

Thank you for your continued support! - Bill & Rachel Tygum
